

For sale CRG Kalifornia with Rotax Max (10h)

CRG Kalifornia chassis, 40mm axle

Almost brand new Rotax Max (10 hours) that has just been serviced by Kartmart and only run restricted (= much less wear on the engine, max. 12'500rpm).

Additionally you get another full Rotax engine (needs a major rebuild) with all parts (cooler, exhaust, battery etc.) (estimated value of this engine about \$800).

Very good condition, ideal kart for beginners (very easy to set up), \$4100 the lot, contact Richard on 0421 072 120.
