

FOR SALE

Arrow AX8 30/32 with fresh clubman. Chassis has AX9 style plastics and has done approx 15 race meetings from new. Finished 3rd in Super Heavy at this years' SEZ series with an inexperienced driver. Engine has been blueprinted, has just had a complete top end rebuild (52.45) and still needs to be run in. Kart is legal to current spec, complete and ready to race. I will deliver it to Perth at no cost if paid for up front.
