

10 May 2010

To all members,

Tyre Barrier Blitz Part II

A good contingent of around a dozen members arrived around 7.30 / 8 am and by 10.00 am a further 60 tyre bundles had been completed. A quick trip to obtain some more cable ties saw a change in the members in attendance and in the afternoon another 60 bundles or so were completed so at this stage nearly all of the tyre barriers have now been repaired – great job by everyone involved to date and it was much appreciated as we can now focus on some of the less taxing jobs to be done.

Just to answer some club member queries here is a bit of an update...

John Wishart and Lee Chapman have been busy cabling and wiring up a new speaker system so that announcements and post race meeting speeches will be LOUD and clear.

Track lights – (instead of flaggies) the track is fully cabled to do this however we need some members with the appropriate skills (electrical) to give Wishy a hand in this area, let him know of your availability as at the moment it is mainly time (his) and couple of technical issues holding this project up.

Dave Willis and Jeff White spent most of the Saturday Busy Bee transporting materials from the Wanneroo circuit to Cockburn – there is a job to be done for anyone who has some structural steel, welding skills and would like to put their hand up for this. Similarly the club needs to provide tyre inflation cages for the State Titles and Nationals meeting. We already have the basic structure / materials of this but it needs modifying to suit our needs – let us know if you are able to take this job on.

Thankyou to the following members who attended at the Cockburn Busy Bee on Saturday 8th May

Jayden and Matt Casserly
Craig, Darren and Max Kilgallon
Greg Adams
'Doc'
Kevin Jackson
Jeff White
John Wishart
Dave Willis
Tony Matthews and son
Julian Burger
Duncan and George Foster
Michael Clark
Lee Chapman

Also the other members who attended in the morning but I did not get their names before they had to leave.

The next proposed Busy Bee date is June 26th so pencil this in your diary and a reminder will be sent out closer to the date.

Regards

Roy Tester
Vice President (Cockburn)
