

2011 IAME NATIONAL FINAL (LEOPARD FINAL SHOOTOUT)

For the 7th year running Remo Racing will once again put on a Leopard Final Shootout event in 2011.

We are proud to announce that the IAME NATIONAL FINAL will be held at the 2011 SA State Open Championships on November 25-27 Go Kart Club of SA at the fantastic MONARTO CIRCUIT

“I feel its a great opportunity for Leopard competitors to compete at a “Leopard Final” for the opportunity to win great PRIZES and also RANDOM DRAW prizes, but also a chance to win a “State Championship” at no extra cost to the competitor”

“ALL Leopard competitors can enter the SA State Titles / Leopard Final event in Leopard Light and Leopard Heavy Classes and be eligible for SA National Title trophies.

But, only those competitors who did their minimum of 3 rounds will be eligible to win PRIZES at the end of the SA State Titles meeting”

(For example; say you finish 3rd in your class at the SA State Championships but did not do your minimum 3 rounds of an IAME Challenge Series event in Australia during the year... you will win the 3rd place trophy but you will not be eligible to claim a Final Shootout PRIZE because you did not do your minimum 3 rounds of your IAME Challenge Series. Your prize will be given to the “next Leopard competitor in line” who did do the minimum required rounds - BUT everyone is eligible for the other RANDOM DRAWS just for competing in the State Titles.)

BUT THAT’S NOT ALL!

Do ALL rounds of your IAME Challenge Series and you automatically receive and invitation to enter the IAME WORLD FINALS in France.

No matter if you came FIRST or LAST in any of the rounds and no matter how many drivers in Australia there are there is no limit to how many drivers Remo can take overseas to the world finals.

You have an invitation to enter the WORLD FINALS if you have done ALL the rounds of your IAME Challenge Series”
